

2010 Annual Campus Security Report Kansas Wesleyan University

“The mission of Kansas Wesleyan University is to promote and integrate academic excellence, spiritual development, personal well-being, and social responsibility.” To that end, we seek to be a caring community that places value on people in communion. For that to be possible, it is essential that the Kansas Wesleyan Community ensure an adequate measure of safety and security. For us to be secure with each other, truth is essential. This is why Kansas Wesleyan University will seek to be open and transparent. This Campus Security Report is intended to provide people the opportunity to understand how we are doing in the areas of safety and security. Although perfection in any arena of life is an unrealistic goal, the safety of people and community is essential to the implementation of our mission. The hope of the KWU Administration is that our efforts to practice voluntary accountability will provide a foundation for a reasonable secure learning environment. Most important is that we care for one another. We are our sisters’ and brothers’ keepers.

--John Blackwell, Ph.D., Vice President for Student Development, Kansas Wesleyan University

Kansas Wesleyan University Background

Kansas Wesleyan University (KWU) is a community of more than 176 faculty and staff and approximately 900 students. The 28-acre KWU campus is located in the center of the country (literally) – Salina, Kansas. It’s a city with a population of 48,000 that has a hometown atmosphere but lives large. It’s a city of movies, malls, restaurants, arts, concerts, sports and smiles all around. The college has not experienced a significant number of major crimes in the past, but it must be noted that crime is a national concern that affects us all.

KWU has been an influential part of higher education in North Central Kansas for more than a century. Founded in 1886 by the United Methodist church, KWU welcomes students of all faiths. KWU’s primary goal is providing students with an excellent education in a caring Christian campus community. The university is uncompromising in its dedication to providing an atmosphere where students can mature and learn while taking responsibility for their own actions and lives. The campus environment helps students prepare for the challenges in their personal and professional lives by living and studying with people from many backgrounds, by learning to relate responsibly to God and to others by achieving goals in a timely manner.

Developing a safe and secure environment at an academic institution is the responsibility of the entire community. The Office of Student Development, located in Pioneer Hall, in conjunction with the Salina Police Department, Salina Police K-9 Unit and Midwest Security have the responsibility to identify programs, methods, and approaches to help the campus maintain a reasonably safe and secure environment.

Campus Security & Procedures

The Office of Student Development maintains a close working relationship with local law enforcement agencies in an effort to maximize the services provided to the University community. Midwest Security is contracted to monitor campus buildings and grounds; Sunday/Monday/Tuesday 10-1pm, Wednesday/Thursday 10pm-4am, and Friday/Saturday 9pm-5am. The Salina Police Department runs periodic checks around the campus perimeter as well as conducting building checks upon request from Vice President for Student Development and/or Executive Director of Student Development.

Emergency calls received by security officers are promptly referred to VP For Student Development, Executive Director of Student Development, Residence Hall Director and Resident Assistant on duty, who then notify the appropriate city emergency departments; Police, Ambulance, or Fire Departments as necessary. All individuals in this line of notification are encouraged to call 911 at any point if situations appear to warrant immediate action. All emergency calls are followed up by security agencies/individuals by providing a written incident report on all emergency situations. Criminal investigations, vehicle accidents, and/or moving violations are referred to the Salina Police Department.

Crime Prevention

The safety and security of all members and guests of the campus community are of primary concern at KWU. For that reason, security officers provide service to the campus community. Foot patrols are made at regular intervals each evening. University policies and regulations, as well as local, state, and federal laws are enforced. A close working relationship is maintained with the Salina Police Department.

Students, faculty, staff and guests of KWU are encouraged to report criminal activity to Office of Student Development which then contacts appropriate agency to conduct criminal activity checks. A report will be taken and follow-up made on the complaint. The cooperation, involvement and personal support of students is crucial to the success of campus safety program. Students are encouraged to use common sense and to observe proper safety precautions.

Students living in residential areas are issued a key to their room and to the outside door of the building. Each residence hall is staffed with a Resident Director and Resident Assistants. A Resident Assistant is on duty each night in each building. During the evening, rounds of the facilities are conducted to monitor the activities of the building as well as to insure the exterior doors are secured properly. Safety and security issues are included as part of the staff's thorough training each August and to all new RA's who may be hired during the school year.

Crime prevention demands constant interaction and outreach to the community. The KWU Student Development Office distributes materials familiarizing all students, faculty, and staff with their responsibility in reducing criminal opportunity. Crime prevention brochures, posters, and handouts are used to help make all members of the campus community aware of the potential for crime. Kansas Wesleyan University relies on the media to present information to the community about situations that may pose a potential threat to its members as well as a voluntary emergency notification system students may sign up for to receive text messages alerting of potential emergency situations on campus with instructions issued on what students should do during any given emergency to remain safe.

How to Report Crimes and Other Emergencies Occurring On-Campus

Preventing campus crime is a shared responsibility between Kansas Wesleyan University and its campus community members. Public apathy is a criminal's greatest ally. Campus community members should not assume that someone else has reported suspicious or criminal activity. Suspicion is the only reason anyone needs for calling the police. Crimes, suspicious activity, or other emergencies on campus should be reported immediately. If a campus community member suspects a crime has been or is being committed, s/he should call Monday-Friday 8am-5pm the Student Development Office at 785-827-5541-ext 1160, Saturday-Sunday daytime call Vice President for Student Development at 785-342-0077 or Executive Director of Student Development at 787-827-5542, ext. 1168. Evenings/Nights Sunday-Saturday call campus security at 785-452-2517, or call the Salina Police Department immediately at 911.
