INSTRUCTIONS FOR FINDING BOOK REQUIREMENTS AND PRICES FOR FALL 2013

Here are the instructions for finding the texts required for your courses for the Fall 2013 semester, as well as the prices currently charged at Yotee’s, the KWU book store.

! Go to the KWU Home Page (www.kwu.edu)
! Click on the purple colored “Course Catalog” block in the center of the page,
! Once the new page is loaded, click on the “Course Schedules” line in the purple box on the right side of the page,
! Once the new page is loaded, click on the “Yotee’s Bookstore” link which is 3 lines under the Course Schedule heading,
! Once the new page is loaded, click on the “Search by Course” drop down box, click the Fall 13 selection, then click the “go” button,
! Once the new page is loaded, click on the appropriate department for the course you are taking, then click on the specific course number and the required books will appear in the space below.
! Repeat the line above for each course you are taking.

You can order from Yotee’s on-line (there is a 5% discount for doing so), over the phone (785-827-5541 x 1153), or in person. You can also order from other text sources, but they may take longer to receive and the price you pay (plus shipping) may not be that much different. The three most important things to remember are to 1) get the right texts, 2) don’t over pay for your texts, and 3) have your texts at the beginning of class — and Yotee’s is usually a good way to accomplish all three things at once.
