If you took a screen shot of your life in five years, what would it look like? What college did you choose? What choices did you make that impacted you personally, spiritually and professionally?

At Kansas Wesleyan University, we provide a quality education, at an affordable price. We offer scholarships, financial aid and career assistance so that when you graduate, you are employable, and your debt is minimal. We offer activities that will help you come alive intellectually and spiritually. We believe that as a young adult, you should be engaged in your community and in the world around you, so there are many opportunities for service, internships and travel. Check us out at www.kwu.edu!

Campus Ministries
We offer weekly fellowship, small groups, service, prayer support and many other opportunities for spiritual growth! Our Tuesday Night Alive service is the most popular evening event on campus where students enjoy fellowship, uplifting praise music and guest speakers.

Methodist Scholarships
In addition to a robust financial aid package, students who are members of the United Methodist Church can receive up to $3,000 from the Dollars for Scholars program. Visit with your church leaders or the United Methodist Higher Education Foundation for more information.

Wesleyan Journey
At KWU, you’ll go places! Our Wesleyan Journey courses combine academics, service and travel in such places as the rainforests of Costa Rica and the reefs of the Florida Keys. And, best of all – every qualified student can take a Wesleyan Journey course for FREE!
