JOB'S ESSENTIAL DUTIES

1. Teaching (60%): Responsible for delivering in a student receptive manner the knowledge, skills, and experiences each student needs to successfully achieve course learning outcomes as outlined in the course syllabus.
 1. Student-focused educator committed to student learning, retention, persistence, and completion.
 2. Teach twelve (12) credit hours each semester (24 credit hours per year) consisting of the following courses during the 16-17 school year. While this is the ideal schedule, changes or trade-offs may be made within the department based on faculty strengths and department needs.
 1. Fall and spring courses to teach (on-ground): General Microbiology with lab (BIOL226), Immunology (BIOL400), Cellular/Molecular Biology (BIOL425), sometimes Biochemistry I (CHEM410), Biochemistry II (CHEM420), and sometimes Special Topics (BIOL286 or BIOL486), the topic of which is to be determined by the hired individual, but might include a course such as Cancer Biology or Biotechnology. Other classes will be developed over time and taught by this faculty member, including part of the General Biology series, courses related to areas of expertise of the faculty member, and as needed by the Department of Biology.
 2. Summer courses (on-ground or on-line): optional.
 3. Create, post, and articulate course learning outcomes or objectives in order to ensure student understanding of course learning objectives and expectations.
 4. Create and post a course Syllabus, and a Class Schedule for each class being taught during each semester.
 5. Create course curriculum, course handouts, lectures, labs, presentations, and other course materials required to deliver course information in an understandable and interesting manner to ensure students are engaged with the course material in order to achieve the course learning outcomes.
 6. Create course rubrics in order to assess each student's performance related to the course's learning objective and to identify areas for student improvement.
 7. Assist students to master course material by being available through "office hours" and at other times to answer questions and assist students to better understand the material in one-on-one or small group sessions.
 8. Meet all classes and other scheduled responsibilities such as office hours and meetings at the designated time.
 9. Assign grades and maintain course/student records in accordance with FERPA regulations and submit grades and records by established deadlines.
2. Advising (15%): Responsible for assisting students to create an individual educational plan which allows the student to graduate in the shortest amount of time possible and at the least possible cost consistent with the student's

educational goals. As a general rule, first year faculty will NOT advise department students except in unusual circumstances.

1. Assist advisees to develop educational and career goals, and to seek the information necessary to achieve those goals.
2. Assist advisees to create “graduation plans” in order for students to complete university and department graduation requirements with the least cost and time possible consistent with their advisees’ educational goals.
3. Meet a minimum of once a semester with their advisees to review educational, graduation, and career progress, and as needed to effectively meet the needs of each advisee.
4. Assist advisees to enroll in needed classes at the soonest possible time in order to ensure graduation success as well as accurate enrollment counts.
3. Personal Development (5%): Responsible for preparing and executing an annual personal development program in order to enhance your course content knowledge and teaching effectiveness skills.
4. Service (5%): Responsible for preparing and executing an annual university and community service program.
5. Clinical Supervision (where applicable): assist students to successfully complete any clinical practice required as a part of their course work or for graduation.
 1. Schedule and supervise students in clinical practice, internships, observations, field experiences, and other similar course and graduation requirements.
 2. Debrief and evaluate students in clinical practice, observations, and field experiences, and other similar course and graduation requirements.

JOB’S OTHER DUTIES: (15%)

1. Assist the department and university to recruit and enroll students who are a good fit for our culture, mission, and vision.
2. Evaluate and revise curriculum, course materials, and delivery methods as changes in the field and teaching environments warrant.
3. Review, evaluate, and revise department policy, textbooks, and curriculum in conjunction with other department members and the Department Chair in order to enhance student academic and career success.
4. Serve on university committees to enhance department and university policies and processes which enhance student academic and career success.
5. Attend all required university events such as commencement, faculty meetings, etc.
6. **PERFORM OTHER APPROPRIATE AND REASONABLY REQUIRED DUTIES AS ASSIGNED BY YOUR SUPERVISOR.**

JOB’S PERFORMANCE MEASURES AND STANDARDS: Actual performance standards for each measure will be set at least annually after consultation between the job holder and their direct supervisor based on the job holder’s existing qualifications and experience.

1. Course Learning Objectives, Syllabus, and Class Schedule posted as required.
2. Semi-Annual Student Course Evaluation Results
3. Semi-Annual Advisee Evaluation Survey Results
4. Annual Self-Evaluation Results
5. Annual Department Review
6. Peer Review as per the Faculty Handbook
