For

## Associate Degree Completion

Butler Community College and Kansas Wesleyan University

The purpose of this Agreement is to permit eligible and interested students to transfer certain course work from Kansas Wesleyan University (KWU) to Butler Community College (Butler) to complete requirements for a Butler degree. This process is called reverse transfer. KWU and Butler have entered into this Reverse Transfer Agreement and by the signatures affixed hereto, certify the following:

1. KWU and Butler are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions. Each institution will maintain the integrity of their separate programs and enter into this agreement as equal partners.
2. Students enrolled at KWU who previously attended Butler, meet the Butler resident credit requirement, and transfer 45 or more credit hours to KWU are eligible for reverse transfer credit to facilitate Butler degree completion.
3. Separate academic records for students will be maintained at each institution.
4. Authorized employees of KWU and Butler will have necessary access to personally identifiable information about the students who are eligible for reverse transfer credit for a Butler degree. KWU and Butler agree that their respective authorized employees will have a legitimate educational interest in the educational records of the students being served. KWU and Butler shall take reasonable steps to ensure that their respective counselors, employees, and administrators maintain the confidentiality of all student information as required by FERPA. This provision shall survive any eventual termination of this Agreement.
5. KWU shall notify all students who transfer a minimum of 45 credit hours of coursework from Butler (or combination of accumulated hours from other accredited institutions) of the existence and purpose of this Agreement. This notification to students shall occur during the student's first semester at KWU. The notification will communicate KWU assumes the student will participate unless he or she provides written notification to the contrary.
6. KWU will issue an official transcript to Butler at the end of each semester on behalf of any impacted student.
7. Upon receipt of an official KWU transcript, Butler will conduct a degree audit of each affected student and evaluate all coursework that may assist in the completion of the student's associate degree. Students who meet all degree requirements are eligible to receive a Butler degree. Butler will notify each affected student that he or she is eligible to receive an associate degree. Upon completion of the degree, Butler will issue an official transcript back to KWU thereby providing formal record of associate degree completion and indicating cessation of KWU's need to send a transcript each semester.
8. KWU and Butler agree to cooperate in communicating with each other and with their common and respective communities concerning the relationship between the two institutions.

9. KWU and Butler agree to acknowledge and recognize the reverse transfer program on each institution's website and via other marketing and publicity methods.
