ADDENDUM TO THE
EMPLOYMENT OFFER LETTER (GRADUATE ASSISTANT)

1. The purpose of the Graduate Assistant Program is to employ qualified students in Kansas Wesleyan University's (KWU) Master level programs in order to provide those students with relevant, real-life work experience as they pursue their Master's degree. The Graduate Assistant Program funds one course per 8-week term during the fall and spring semesters (two eight-week terms each), and one course during the eight-week summer semester. The GA/student is responsible for progressing toward successful completion of the Master's degree by being enrolled in one course during each eight-week each term.
2. To be, and remain eligible for employment in the Graduate Assistant Program as a GA at KWU, the person must be enrolled in, and be successfully completing a Master's program at KWU.
3. The GA will be required to accomplish the following with respect to his or her Master's Program (Program) at KWU:
 1. Attend classes regularly, unless an "excused absence" is obtained in compliance with university standards;
 2. Comport themselves in the Program and in their employment as a positive example to, and role model for, undergraduate students, athletes and activity participants;
 3. Receive no final grade lower than a C in any course, remain in "good standing" at the university pursuant to its published policies, maintain at all times the required GPA for continuing graduate students at the university, and otherwise remain in compliance with all university requirements for graduation;
 4. Be enrolled in one course during each eight-week term during the year.
4. No courses in the Program where a grade of C or better has been earned, may be retaken for a better grade; any course retaken pursuant to the appeals provisions of section 5 below will be at the sole cost and expense of the GA.
5. Receiving a final grade lower than a C in any course during the Program, will result in immediate notice of dismissal as a GA by your department supervisor.

Within fifteen (15) days of receipt of such notice, the GA may submit a written appeal of the dismissal for extenuating and extraordinary circumstances to their department supervisor who will consider the appeal and communicate a decision regarding reinstatement, in writing to the GA and the Provost, within thirty (30) days of their receipt of the appeal, subject to review by the Provost, as described below.

If a decision is made by the department supervisor to reinstate the GA in the GA Program, this decision will be communicated to the Provost within the required thirty (30) day period. The Provost has the authority to override the decision if they determine that the GA is not making satisfactory progress toward a Master's Degree or is not likely to succeed academically in completing the Program as required in this Addendum; any such reversal by the Provost will be final and non-appealable, and will be communicated in writing to the GA within fifteen (15) days of the Provost's receipt of the department supervisor's reinstatement decision. With the written approval of the Provost, in their sole discretion, a GA may be dismissed from the Graduate Assistant Program but still remain in the Program, at the GA's own expense. GA's will continue to be employed at KWU pending the final disposition of any authorized appeal.

Time is of the essence of all matters in this section 5. Failure to act within a required time period will be construed against the non-acting party and in favor of the party not required to act within that period.

 1. Will reside in Salina while employed in the Graduate Assistant Program. The GA may reside either on or off-campus.
 2. If the GA is an International student, the GA will be required to pay a \$1,700 international student fee, which can be paid within the first three months. Payment arrangements are made through the Business Office within the first week of signing the Employment Offer Letter (Graduate Assistant) and this Addendum.
 3. Will be provided with a job description and be expected to perform the duties and responsibilities as outlined in that job description, including additional duties and responsibilities as assigned by their department supervisor.
 4. Will be assigned office space for the performance of their duties and responsibilities.

Will have at least two weeks of time-off annually and their department supervisor will determine and schedule time-off in accordance with university and GA needs. In addition, the summer can be a time for the GA to get a more substantial job in Salina, but the GA must plan to spend at least 20 hours each week working for the university. If the student does take an extended leave during the summer months, it must be approved by the GA's department supervisor and the monthly stipend is suspended for that time period. The department supervisor is responsible for reporting that information to the CFO. It is preferred that the student stay in Salina and fulfill his or her obligations.
