

KANSAS WESLEYAN UNIVERSITY TEACHER EDUCATION PROGRAM

CAEP Annual Reporting Measures

Section 4, Measure 3

Kansas Wesleyan University Employment Rates

| Year: | Number of Student Teachers | *Percentage of students employed first year after program completion |
|--------------|-----------------------------------|---|
| 2015-2016 | 10 | 100% |
| 2016-2017 | 13 | 100% |
| 2017-2018 | 17 | 100% |
| 2018-2019 | 17 | 100% |

*Percentage is based on the students who passed their licensing tests and actively sought teaching positions

This table provides the employment date for the Department of Teacher Education graduates who were successfully employed one year after graduation. The Department collects this data through email communication with the academic completers by year and through a survey conducted by the university's student services center and the department one year after graduation.
