

Kansas Wesleyan University STEM Division

Presents the

STEM Visit Day/Vanier Scholarship Competition

November 9th, 2019

Kansas Wesleyan University

Join us for an exciting, information filled day as faculty and students share their experiences and explain how Kansas Wesleyan can prepare you for a successful career in a STEM field. In the afternoon, you may participate in a scholarship competition to win a Vanier Scholarship awarded up to \$20,000, which is renewable for four years.

The first portion of the day hear from a student panel and take a tour through Peter's Science Hall to meet with STEM faculty in their lab spaces. You'll get to ask questions about their area of expertise as well as participate in some hands-on activities. After a break for lunch, students who are competing for a scholarship will present their answer to the prompt: Describe a STEM-related topic that fascinates you, and explain why it interests you. (More details below)

For those students who wish to be considered as participants in the scholarship competition, please complete an application to the university by going to www.kwu.edu/admissions. Then send the following materials to:

Samantha Sandoval
Office of Admissions—Box#20
100 E. Clafin
Salina, Kansas 67401
Samantha.Sandoval@kwu.edu

- 1) Application cover, signed by student and parent/guardian
- 2) Transcript of grades through last semester
- 3) ACT or SAT score documentation (not required for Transfer students)
- 4) One (1) letter of recommendation from a STEM teacher on school letterhead

The above materials must be submitted by November 1st, 2019

- 5) Poster Presentation: Create a poster (24 x 36 or a trifold no larger than 36 x 48) that answers the prompt: Describe a STEM-related topic that fascinates you, and explain why it interests you. You are encouraged to be clear and creative in your response and cite the sources you use to research your topic. You may provide supplementary materials to support your presentation (models, computers, petri dishes, etc.), but the primary component under review will be your poster.

The poster and any accompanying materials should come with you on November 9th

Vanier Scholarship Application Cover

Student Name (print): _____

High School/College: _____

Planned Graduation Date: _____

Address: _____

City/Zip: _____

Home Phone Number: _____
