If you believe you have unusual circumstances that may impact your dependency status for the 2022-2023 academic year, you may request a review of your dependency status by submitting this completed form along with supporting documentation. Please fill out the form completely and submit with documentation requested to the Office of Student Financial Planning. We will make a determination and advise you of our decision through your KWU email as soon as possible.

**You will not be able to receive a Financial Aid Award Letter until this issue is resolved.
THIS IS AN URGENT MATTER.**

Per federal regulations, **NONE** of the conditions below, singly or in combination, qualify as unusual circumstances or merit a dependency override:

- 1) Parents refuse to contribute to student's education.
- 2) Parents are unwilling to provide information on the FAFSA or for verification documents.
- 3) Parents do not claim the student as a dependent for income tax purposes.
- 4) Student demonstrates total self-sufficiency.

PLEASE NOTE: Dependency status must be reviewed and re-certified every academic year and if you transfer to or from another school.

You must submit the following items for us to review your circumstances:

- 1) **A personal signed letter from you explaining your request for a dependency override.** Provide as much detail as possible describing your separation from your parents. The following information is **required**:
 - Include the last contact you had with each parent and the frequency of contact with each parent over the past year.
 - Explain why you cannot provide parental financial information on the 2022-2023 FAFSA.
 - Describe your living arrangements over the past several years, including with whom you resided and who has provided support to you.
- 2) **Letters from two (2) individuals who can attest to your situation.** The letters should provide as much detail as possible describing your separation from your parents. Stating that you live on your own and support yourself is not grounds for a Dependency Override. We need information pertaining to your relationship with / separation from your parents.
 - Each letter must include the individual's name, title or position, address, and signature.
 - Once letter must be from a professional individual and must be on letterhead. This person cannot be related to you or living at the same address as you. It could be a teacher, counselor, pastor, social worker, doctor, etc.
 - The second letter can be from somebody who can verify your situation as described above. This person cannot be related to you or living at the same address as you. This could be a friend's mother, a grandparent, etc.
- 3) **An Independent Verification Worksheet (attached on subsequent pages).**
- 4) **A signed copy of your 2020 Tax Return.** If you did not file a tax return, you must submit copies any W-2's from 2020 or other forms of income such as government assistance you received.
- 5) **We must have a valid 2022-2023 FAFSA on file.**

I certify that all information submitted on and with this form is true and correct to the best of my knowledge. I agree to provide additional information or documentation if requested.
