

KWU Career Services

Please visit Courtney Miller, Career Services Coordinator, or Niki Wilson, Career Services GA in Student Development room 185 of Pioneer Hall for resources to connect you with everything that you need to reach your career goals.

Sophomore Year

DECLARATION: Declare your major. If you haven't yet, participate in Major Madness, meet with Career Services, or meet with your academic advisor to discuss options.

EXPAND YOUR NETWORK: Continue networking with students and faculty. RSVP for Speed Networking to meet business professionals and collect business cards.

GET 'IN THE FIELD': Spend a day "in the field" of your choice. Work with Career Services to set up a job shadowing experience.

KEEP INFORMED: Arrange for an 'informational interview' with someone in your declared field.

DEVELOP: Continue developing your professional resume and attend Resume Café to learn how to create a cover letter.

GET A MENTOR: Work with Career Services and the Alumni staff to connect with KWU Alumni in the field of your study.

VOLUNTEER: Attend The Discovery Fair to see local organizations you could volunteer at, and watch for the Campus Serve emails for more volunteer opportunities. Lastly, get involved with Project Hero in the Spring.

STEP UP: Take a leadership role in an organization to which you belong to or would like to join. Consider joining Student Government Association or a campus club, or applying to become a Resident Assistant.

ATTEND SOPHOMORE SLICE: Join us for lunch Spring semester to learn about internships and Wesleyan Journeys, their due dates, school credit information, and more!
