

ENROLLMENT AGREEMENT

Read, provide requested information, then sign and date below.

By my signature on this agreement, and submission of the \$100 enrollment fee, I commit to attend Kansas Wesleyan University (KWU) for the semester for which I am accepted. This fee guarantees me all privileges associated with enrollment in classes, space in residence hall if required or desired, access to meals, and all services associated with being a full-time student at KWU.

I understand that the \$100 enrollment fee is non-refundable after submission because of the subsequent planning and expense KWU undertakes in preparing for my arrival.

Regarding selection of courses, KWU will facilitate communication with an academic advisor and encourages advance planning. The Registrar attempts to honor student enrollment requests but has final authority to determine classroom limits and offerings.

Residence hall assignments are based on available space prioritized by the date when both the \$100 enrollment fee and this signed agreement are on file.
