

2023-24 Notice to Grad School Applicant: You must be admitted to KWU to receive a Financial Aid Award

CONTACT: AdmNoteG

Thank you for submitting your 2023-24 FAFSA. We are looking forward to preparing your award; however, prior to being able to offer you a Financial Aid award, we need you to complete any items needed below.

**You will not be able to receive a Financial Aid Award Letter until this is resolved.
THIS IS AN URGENT MATTER.**

What do I have to do so I can receive an offer of Financial Aid?

1	You must be accepted for Admission to the Graduate Program before we can make you an offer of Financial Aid.	You can access your Admissions information in your myKWU student portal. Soon after you applied for Admission, you received an email from the Admissions Director with your myKWU username and password. Once you login, click on the "Students" tab, then on the left select "Admissions" and scroll to the right to "Documents". Complete and submit any needed items.
2	Financial Aid items:	When the Office of Student Financial Planning received your FAFSA, we placed notices about additional information or documents needed to complete your financial aid file on your myKWU Student Portal Account. Once you sign in, you can find these items by selecting the "students" tab, then on the left under "My Financial Information" select "My Financial Aid Progress" and choose "View my Financial Aid Document Tracking". Items you have completed as well as those that we need are listed here.

If you have any questions, please contact your Admissions Counselor (785-833-4305 or email admissions@kwu.edu) to learn what additional information may be needed by the Office of Admissions before they can offer you a letter of acceptance to the university.
